

MyHealthLink Portal

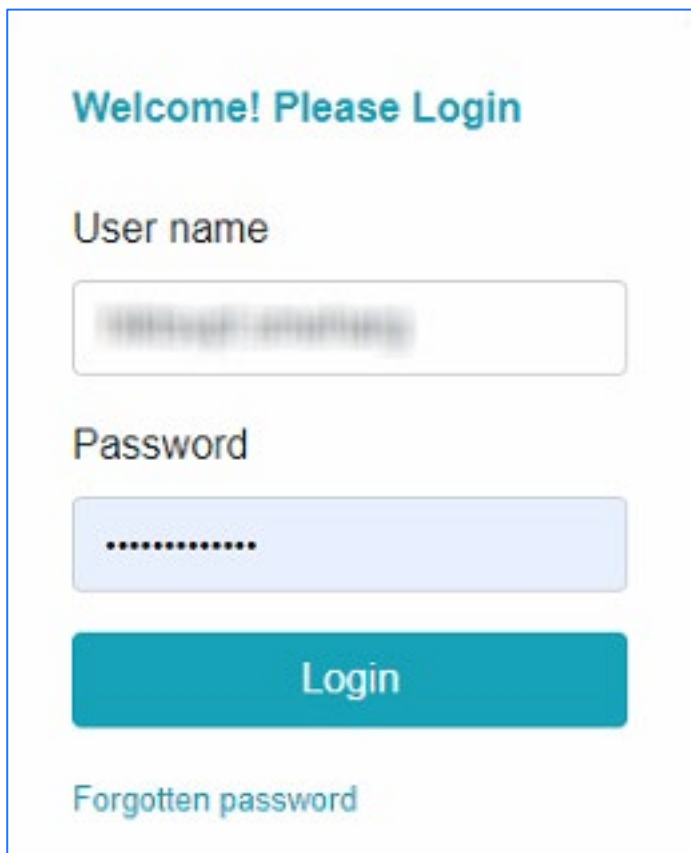

Guide: How to search for submitted referrals

Accessing Submitted eReferrals in MyHealthLink Portal: A Step-by-Step Guide.

To view and open all submitted eReferrals, follow these steps:

Step 1 – Log in

- Log in to your MyHealthLink Portal account at <https://auportal.healthlink.net/hlkportal/login>

Welcome! Please Login

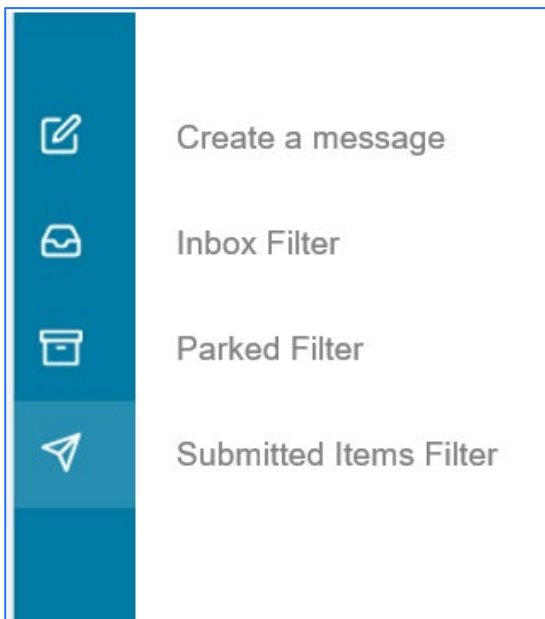

User name

Password

Login

[Forgotten password](#)

Once logged in, you'll see the main dashboard. On the left-hand side, four key icons are displayed:

These icons provide easy access to manage your eReferrals.

Step 2 - Filter Submitted eReferrals

Click on the 'Submitted Items Filter' icon to access the filter screen. From there, you can narrow down referrals by:

- Date
- Patient Name
- Reference ID
- and more

This allows for easy searching and management of submitted eReferrals.
