HealthLink SmartForms for Zedmed

Welcome to HealthLink SmartForms. The smartest way for health professionals to refer their patients to NSW Health.

For more information on your Local Health District (LHD), go to: <https://health.nsw.gov.au/ereferral>

Your practice must be running Zedmed v35 or above to access the HealthLink SmartForms.

ZEDMED

Submitting eReferrals from Zedmed

Using HealthLink SmartForms

SmartForms enable **Zedmed** users to easily refer and engage with all HealthLink SmartForm service providers including NSW LHDs, Transport for NSW and My Aged Care.

SmartForms are designed to speed up the service you can provide for your patients. They give you confidence that your form has been securely delivered to the service provider, and a copy has been saved to your Practice Software. And what's more, they are free for you to use.

HealthLink Technical Support

Email: helpdesk@healthlink.net

Phone: 1800 125 036

Step 1:

**Accessing HealthLink SmartForms
(eReferrals)**

Step 2:

Launching a new form

Step 3:

Completing the form

Step 4:

Previewing, Submitting and Parking

Step 5:

**Managing SmartForms and eReferrals in
Zedmed**

Step 6:

Accessing submitted forms

Step 7:

**What happens after a referral has
been made?**

Step 8:

**Update Referral: Adding additional
information for the LHD**

Step 9:

**Viewing more information on submitted
referrals**

Step 1: Accessing HealthLink SmartForms (eReferrals)

To access the forms within your
Zedmed software...

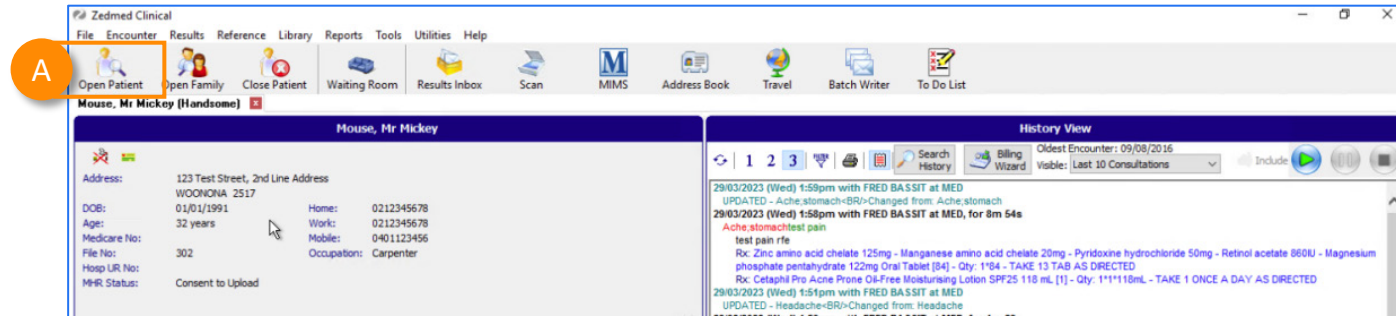

A First, search for the patient and open their
electronic medical record.
(Hotkey: F4)

Once the patient's file is open, there are
several ways to launch the HealthLink
forms page.

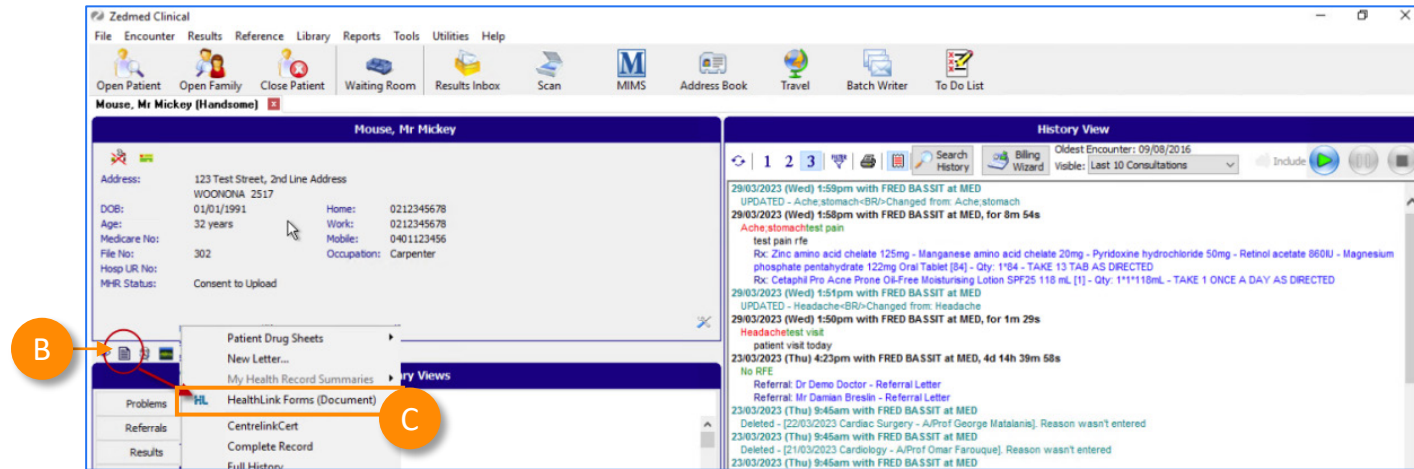

B One way is to click the **Quick Documents**
icon

C and select **HealthLink Forms (Document)**
from the pop-up menu.

Alternatives methods on the following page...

Method 1:

Step 1: Accessing HealthLink SmartForms (eReferrals)

Alternatively, when you've opened the patient's medical record...

- D** Choose **Start Encounter**
- E** Then click the **HealthLink (HL)** icon
- Or -----
- F** Choose **Referral Icon** and
- G** Then click on the **Healthlink Forms (Referral)** Referral Module

Start Encounter

The screenshots illustrate the process of starting an encounter and accessing HealthLink forms:

- Step D:** The 'Start Encounter' button (a play icon) is highlighted in the 'History View' toolbar.
- Step E:** The 'HL' icon (HealthLink) is highlighted in the 'Current Encounter' toolbar.
- Step F:** The 'Referral' icon (a document with a checkmark) is highlighted in the 'Current Encounter' toolbar.
- Step G:** The 'HL HealthLink Forms (Referral)' option is highlighted in the 'Today's referrals' dropdown menu.

Step 2: Launching a new form

Now you're on the HealthLink home page...

- A Here you'll find a list of available services to refer patients.
- B Within the **Referred Services** section, Click on the link named **Health Outpatient Referrals -** followed by the name of the **LHD** you wish to send to.

(e.g. *Health Outpatient Referrals – Western Sydney LHD*)

To launch the smart form, **NSW Health Outpatient Referrals** require you to then:

- C • **select a specific service** and
- D • **facility** (only if there's multiple facilities for that service)
- E Then click **Continue** to launch the form.

For more information on your Local Health District (LHD), go to: <https://health.nsw.gov.au/ereferral>

HealthLink connecting with care

Make a referral | Update a referral

Search a Private Specialist or Allied Health Provider to Refer Patient

Type individual / practice name, or specialty then enter | Search | Help | Clear | State: Tasmania

Referred Services

Aged Care Referral	Medical Certificate for Insurance Claim

Step 3: Completing the form

Now you've loaded the form to complete and submit.

A

The **SmartForm layout** provides a consistent, easy-to-use tabular structure on the left, with the main action window on the right.

You'll notice SmartForms are **responsive**: They will pre-populate all available patient and referrer data and contain logic to request more specific patient information based on your selections.

B

Mandatory Fields must be completed prior to submitting the SmartForm and are each highlighted with a red asterisk.

Note: Please use HealthPathways where available to identify LHD specific referral information.

NSW Health [Service] Submit Preview Park Help

Requested Information (General Surgery) Referred To* Specialist - unnamed referral

Patients presenting at NSW public hospitals can choose to be treated as a public (hospital funded) or private (Medicare bulk-billed) patient. Public hospitals do not control referral pathways to deny access to free public hospital services. Patients will be provided with further information and will be asked to make an election when they present to the outpatient clinic for their appointment. Patients will require a named referral to a medical specialist if they choose to be a private patient

Country of birth

Name* MICKEY Disney HEATLEY

Gender* Male

Patient's indigenous status* Neither Aboriginal nor Torres Strait Islander origin

Residential Address 95 Pitt Street, Apartment, Svdnev, NSW, 2000

Step 3: Completing the form

C It will also display a **warning** for some information taken from your Practice Management Software that needs reviewing.

For example, if a contact phone number does not include an area code.

D If you need more context on the questions, you can click on the **information icons**.

The screenshot shows a patient form with several sections: Family History, Patient Information, Referrer Information, Residential Address, Postal Address, and Contact Details. A red warning triangle icon with the letter 'C' is positioned over the Patient Information section. The Patient Information section contains fields for Name (MICKEY Disney HEATLEY), Gender (Male), and Patient's indigenous status (Neither Aboriginal nor Torres Strait Islander origin). The Contact Details section has a dropdown menu and radio buttons for Work, Home, Mobile, and Other, each with a corresponding phone number field. The Home phone number field contains '98765432' and is highlighted with a red border.

The screenshot shows a referral form with a sidebar on the left containing sections for Warnings, History, and Information. The main form area includes fields for Referral Type (New, Updated, Continuation), Referral Period (12 months), Referral Priority, Patient available for appointment at short notice, and Is patient suitable for virtual care? (with an information icon). A mouse cursor is clicking on the information icon, which has triggered a popup window titled 'Information'. The popup contains a bullet point: 'This may include telephone consultation, video conference consultation, or remote monitoring. Appropriateness will be determined by the receiving outpatient clinic.' There is an 'Ok' button at the bottom right of the popup. The letter 'D' is placed over the information icon.

Step 3: Completing the form

Reason for referral

E In some forms there may be drop down to select the reason for referral conditions.

Tip: You can start typing the condition name in the search box to narrow the list down.

Also, there will always be an option 'Other condition' if the condition you are looking for is not noted in the selection list.

HealthPathways

Please refer to HealthPathways linked [here](#) to assist you with completing this referral.

Reason for referral* **E**

Considerations / risks / barriers to access

Does the patient have primary carer / guardian?*

Interpreter required?*

Special needs/reasonable adjustments required for disability?

Are there any considerations, risks or barriers to accessing the service?

I acknowledge that the patient, or appropriate guardian, has consented to the referral and to their personal and health information being shared between the referring clinician, the nominated GP, the health service staff and other health service providers as required to facilitate their treatment or care. Patient consents to being contacted via SMS, phone, email or letter for this referral (subject to local practices).

Patient consent*

Please select

- Cirrhosis (suspected or known)
- Concern for colorectal cancer (rectal bleeding or positive faecal occult blood test)
- Hepatocellular cancer (suspected or known) or liver lesion
- Inflammatory bowel disease or irritable bowel syndrome (suspected or known)
- Iron deficiency
- Liver dysfunction
- Upper gastrointestinal dysfunction
- Other gastroenterological condition

Step 3: Completing the form

Attachments

F The **Attachments / Reports** tab will give you access to all the supporting documents that you may wish to attach to the form.

G You can select any item from the **table** – showing you patient medical records captured from the **last six months**.

Or you can **browse for files...**

H • stored in your Practice Management Software by clicking the **Browse for Patient Document** button .

I **Note:** Make sure to update the date parameters if you want to see files that are older than 6 months.

J • **Or** in your local computer's file system by clicking the **Browse for Local File** button.

Step 4: Previewing, Submitting and Parking

Parking

F And if you need more information to complete the form, you can **Park** the form to save what you've done so far and come back to it later.

The screenshot shows the NSW Health referral form interface. At the top left is the NSW Health logo and the text "NSW Health [Service]". At the top right are buttons for "Submit", "Preview", "Park", and "Help". A green message box at the top right contains a checkmark icon and the text: "Form parked successfully. Please note that attachments selected from your PC need to be re-attached when resuming the parked form." An orange circle with the letter 'F' and an arrow points to the "Park" button. The form is divided into several sections on the left: "Requested Information" (General Surgery), "Attachments / Reports", "Medications, Allergies, Alerts", "Medical, Social and Family History", "Patient Information", and "Referrer Information". The main content area displays the following information:

- Recipient**
 - Referral number*: NSWH-1362
 - Referral creation date*: 14/08/2023 13:24 NZST
 - Facility*: Western Sydney Local Health District
- Medical Practitioner Information**
 - Medicare Provider Number*: 889843
 - Medical Registration Number: [input field]
 - HPI-I: 8003611566681627
 - HPI-O: 123456
- Name**
 - Full name: Sam Entwistle
 - Dropdown menu: Sam Entwistle
- Practice name**
 - Millstone Family Practice
- Practice Address**
 - Dropdown menu: 155 George Street, Galleria, Sydney, NSW, 2000

Step 5: Managing SmartForms and eReferrals in Zedmed

A Any HealthLink SmartForm referral created for a patient can be viewed and interacted with in Zedmed's **Summary Views** section of the patient's record .

Locating a patient's referral/document...

B If a referral is done through an Encounter, then it will go into the **Referrals** tab.

C If a referral is done through Quick Documents, it will show in the **Documents** tab.

Note: You can locate 'parked' and 'auto-saved' forms here too.

Note: Users need to right click on the item they want to edit / update.

Note: when returning to a draft form, due to security policy, any previously added attachments will need to be re-added.

Zedmed status options manually selected by doctor:

-  Open - referral not been actioned or discussed with the patient.
-  Closed - referral has been discussed with the patient or no action is required.

HealthLink status options:

-  Draft - the referral/document has not been submitted.
-  Processed - the referral/document has been submitted.
-  Awaiting Acknowledgement – the referral has been submitted, waiting for an Acknowledgement from the Referred To service.

Step 6: Accessing submitted forms

A A copy of the submitted form can be found in the **Summary View > Referrals** section

B Or the **Summary View > Documents** section

The screenshot displays the Zedmed Clinical software interface for a patient named Mickey Mouse. The top navigation bar includes menus for File, Encounter, Results, Reference, Library, Reports, Tools, Utilities, and Help. Below this is a toolbar with icons for Open Patient, Open Family, Close Patient, Waiting Room, Results Inbox, Scan, MIMS, Address Book, Travel, Batch Writer, and To Do List. The patient's name, "Mouse, Mr Mickey", is displayed at the top of the main content area.

The patient's details are shown in a table:

Address:	123 Test Street, WOONONA 2517	Home:	0212345678
DOB:	01/01/1991	Work:	0212345678
Age:	32 years	Mobile:	0401123456
Medicare No:		Occupation:	
File No:	302		
Hosp UR No:			
MHR Status:	Consent to Upload		

Below the patient details is a "Summary Views" section with a sidebar menu. The "Referrals" and "Documents" items are highlighted with orange boxes and labeled with "A" and "B" respectively. The "Referrals" list includes:

- 14/11/2018 Referral Letter - Dr Rahul Sonar (HL)
- 14/11/2018 Referral Letter - Dr Rahul Sonar (HL)
- 12/11/2018 Referral Letter - Standard - Dr Rahul Sonar (HL)
- 12/07/2018 Referral Letter - Dr Alex Joseph
- 17/05/2018 Referral Letter - Mr Colin Wilce
- 09/02/2018 Referral Letter - Rajab Nabi
- 11/10/2017 Referral Letter - Dr Test Specialist
- 31/05/2017 Referral Letter - Central Referral Service
- 29/05/2017 Referral Letter - Central Referral Service
- 14/12/2016 Referral Letter - Mr Damian Breslin
- 23/11/2016 Referral Letter - Kyle Macdonald (HL)

The "Documents" list includes:

- 30/05/2023 Eastern... Thien

At the bottom of the "Documents" list, a "View HealthLink Form..." button is highlighted with a red circle. The right-hand pane shows a detailed view of a referral letter, including the date, time, and location of the consultation, and the name of the referring doctor.

Step 7:

What happens after a referral has been made?

- NSW Health Outpatients will respond with a **Status Message** regarding the **Referral Acceptance** or **Referral Rejection** with reasons.
- These Status Messages will be received back into your Practice Software using the same workflows when receiving Incoming Reports and Results, and Other correspondence like Discharge Summaries.

Viewing incoming reports

A Click on 'Results Inbox' or go Results > Results Inbox.

B Use the selection tool bar to filter results such as choosing 'Role' and 'User'.

C This will bring up a list of results for the selected filters.

A screenshot of the 'Results Inbox' window. The window title is 'Results Inbox'. It shows a table of results with columns: Patient, Assigned To, Result Reported Date, Result Collected Date, *Result Type, Result Description, Patient Notified, *Message, and Status. The table contains 7 rows of data. Below the table, there is a summary: 'There are 7 results for <All Roles> <Role Only> currently displaying records 1 - 7.' Below the summary is a 'Result View' section with a toolbar and a 'Mousewheel Zoom' checkbox. The 'Result View' section displays a patient's general chemistry and specimen information.

Patient	Assigned To	Result Reported Date	Result Collected Date	*Result Type	Result Description	Patient Notified	*Message	Status
Ⓟ Citizen, Mr Roger	Jekyll, Dr James (JJE...	02/05/2006	02/05/2006	Result	MULTIPLE BIOCHEM ANALYSIS	//		- Final

Creat.	0.09 mmol/L(0.05 - 0.11)	AST	15 U/L(< 41)
		ALT	12 U/L(< 51)

Step 8: Update Referral: Adding additional information for the LHD

The **Update Referral** feature allows you to review your patient's referrals and submit additional information, if the patient's condition or circumstance changes, or in response to a request from the LHD/clinic that you referred your patient to.

A Follow **Step 1: Accessing HealthLink SmartForms (eReferrals)** then navigate to the **'Update Referrals'** tab (second tab on the screen).

B Here you'll see referrals made for the patient by you in the last 6 months, split into separate tables for each referred organisation.

C You can search for referrals by selecting a different date range. **Note:** Please specify a date range that is at least a day apart.

Can't see your patient's referral on the list?

The following types of referrals will not appear on the list:

- Referrals made by other providers in your practice
- Referrals made by other practices, irrespective of the PMS used
- Referrals sent via other channels (e.g. fax)
- Your patient's identification details do not match with the patient's record in the hospital system

Step 8: Update Referral: Adding additional information for the LHD

E To update a referral, click on the  icon on the referral.

F The 'Additional Information' form will be displayed for you to provide your updates

G Select the relevant Reason for Update from the list

H Enter the relevant information into the 'Relevant details' field or use the 'Browse Consultation Notes' function to add consultation notes.

I Attach the relevant documents you would like included in the update using the 'Attachments / Reports' tab

Step 8:

Update Referral: Adding additional information for the LHD

J When you send the update, the additional information you provide on the form will be appended to the original referral at the top and sent together to the LHD.

- If there are multiple updates sent for a referral, they will be displayed in order of the most recent first.
- Just as with other forms, you can Park an Additional Information form. Parked and Autosaved referral updates can be found in your patient's record (See **Step 5 Accessing parked and auto-saved forms**)

NSW Health

Clinical Referral Information

Referred To:	Specialist - unnamed referral
Referral date:	19/06/2024
Referral type:	New <input type="text"/>
Referral period:	Indefinite
Referral priority:	Rapid access
Patient available for appointment at short notice?	No
Third party compensable?	No
Reason for referral :	<input type="text" value="test"/>

Considerations / risks / barriers to access

Does the patient have primary carer / guardian?	No
Interpreter required?	No
Special needs/reasonable adjustments required for disability?	No
Are there any considerations, risks or barriers to accessing the service?	No

I acknowledge that the patient, or appropriate guardian, has consented to the referral and to their personal and health information being shared between the referring clinician, the nominated GP, the health service staff and other health service providers as required to facilitate their treatment or care. Patient consents to being contacted via SMS, phone, email or letter for this referral (subject to local practices).

Step 9: Viewing more information on submitted referrals

View a referral history

C To view the history of a referral, click on the  icon for the referral.

D The Referral History page shows you a summary of the referral's history as provided by NSW Health Outpatients. Activities in the history are shown with the most recent activities first.

Note: The version number shown indicates the number of updates made within the LHD rather than version numbers of the referral.
