HealthLink SmartForms for Genie

Welcome to HealthLink SmartForms. The smartest way for health professionals to submit Fitness to Drive medical assessments to Transport for New South Wales.

Genie

Your practice must be running Genie v8.8 or above to access the HealthLink SmartForms.

Submitting HealthLink SmartForms from Genie

SmartForms enable **Genie** users to easily refer and engage with all HealthLink SmartForm service providers including Hospitals, Private Specialist, Transport for NSW and My Aged Care.

SmartForms are designed to speed up the service you can provide for your patients. They give you confidence that your form has been securely delivered to the service provider, and a copy has been saved to your Practice Software.

Step 1:

Accessing HealthLink SmartForms

Step 2:

Launching a new form

Step 3:

Completing the form

Step 4:

Previewing, Submitting and Parking

Step 5:

Accessing parked and auto-saved forms

Step 6:

Accessing submitted forms

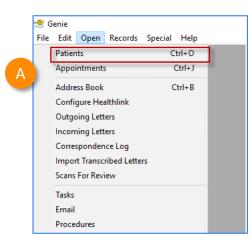

Step 1:

Accessing HealthLink SmartForms

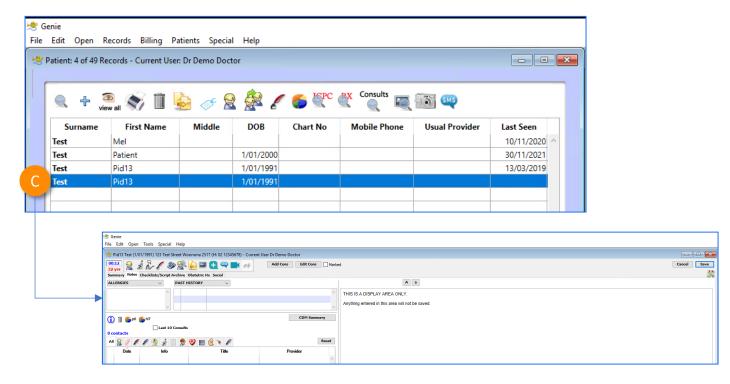

To access the forms within your Genie software...

First, search for the patient and open their electronic medical record:

- A Open > Patients from the main menu.
- B Search for the patient you require.
- Select the patient and their record will come up.

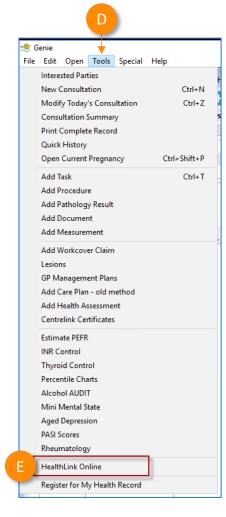

Step 1:

Accessing HealthLink SmartForms

From the patient's record...

- D Select **Tools**
- Then HealthLink Online
- Now click the **New** button to launch the HealthLink home page to create a new referral.

Step 2:

Launching a new form

Now you're on the HealthLink home page...

- Here you'll find a list of available services to refer patients.
- Within the **Referred Services** section, **c**lick on the link named **Transport for NSW**

В

Step 2: Launching a new form

To launch the SmartForm, select the **NSW Fitness to Drive Medical Assessment** form from the list of available forms.

A pop-up information box for Health Professionals will appear next. Once you have read the information, click the **continue** box.

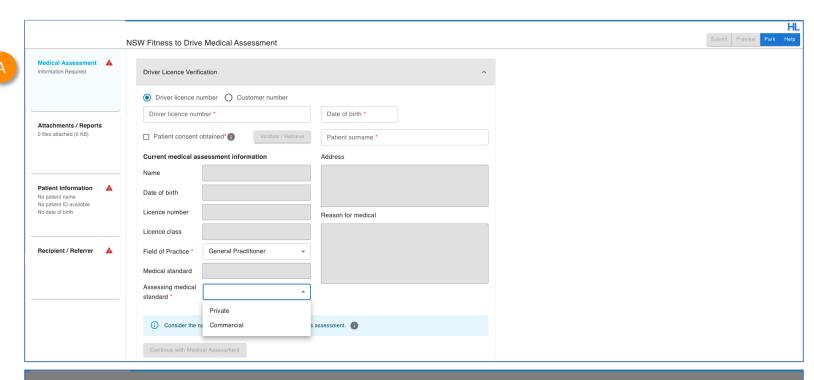

Healthl ink

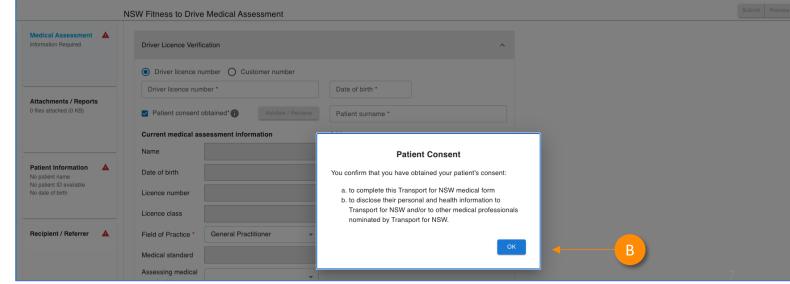

Now you've loaded the form to complete and submit.

- The SmartForm layout provides a consistent, easy-to-use tabular structure on the left, with the main action window on the right.
- Mandatory Fields must be completed prior to submitting the SmartForm and are each highlighted with a red asterisk.

You'll notice SmartForms are **responsive**: They will pre-populate all available patient and referrer data and contain logic to request more specific patient information based on your selections.

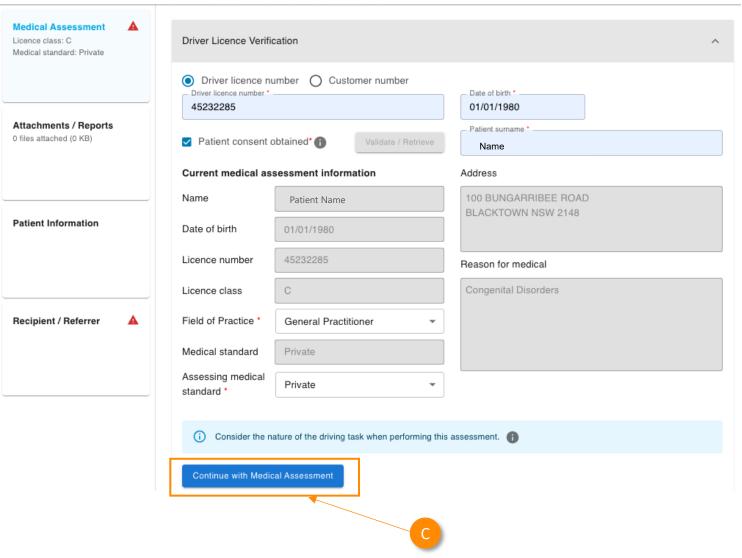

Note: Once you have ticked on the **patient consent obtained** box – the form will validate your patient's driver license number, and you will be able to proceed to their medical

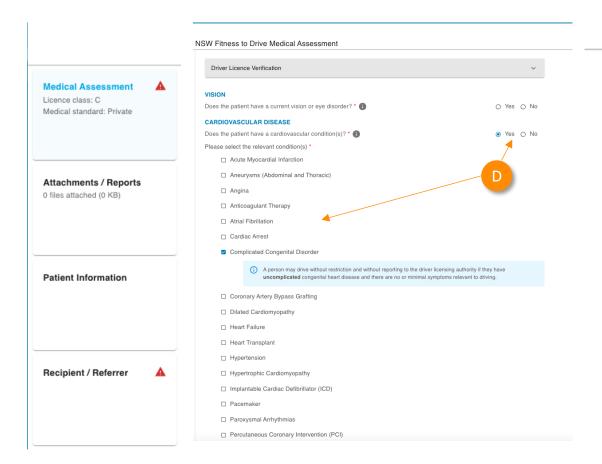

Once your patient's driver license number has been validated you will be able to continue with the **Medical Assessment**.

NSW Fitness to Drive Medical Assessment

The SmartForm is responsive, and it will indicate which questions are mandatory as you move through your patient's medical assessment.

Attachments / Reports

- The **Attachments / Reports** tab will give you access to all the supporting documents that you may wish to attach to the form.
- You can select any item from the **table** showing you patient medical records captured from the **last six months**.

Or you can browse for files...

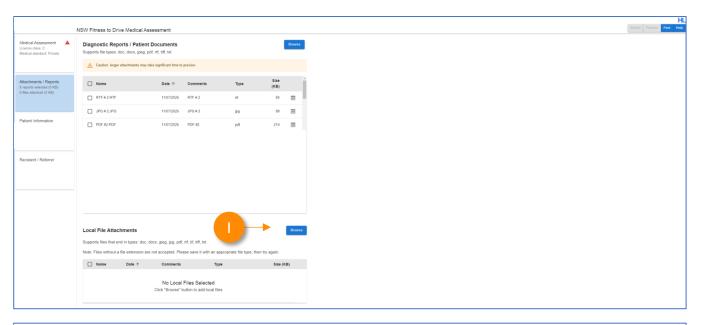

- stored in your Practice Management Software by clicking the **Browse** button.
 - **Note:** Make sure to update the date parameters if you want to see files that are older than six months.

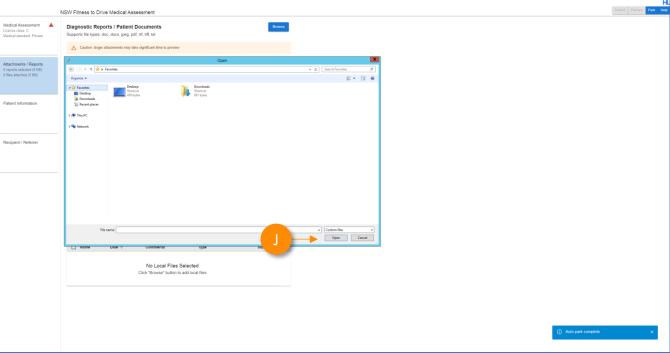

Attachments / Reports

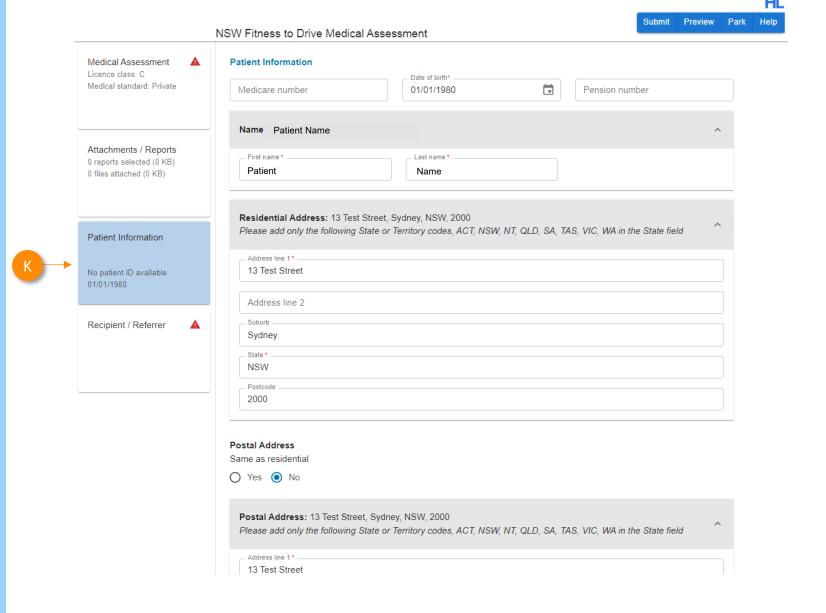

- Another option to add attachments is the ability to browse for files in your local computer's file by clicking the **Browse** button.
- Select the file for your local computer file and select **Open**.

Patient information

Patient information will be pre-populated by the SmartForm in the **Patient information** tab.

©HealthI ink

Step 3:

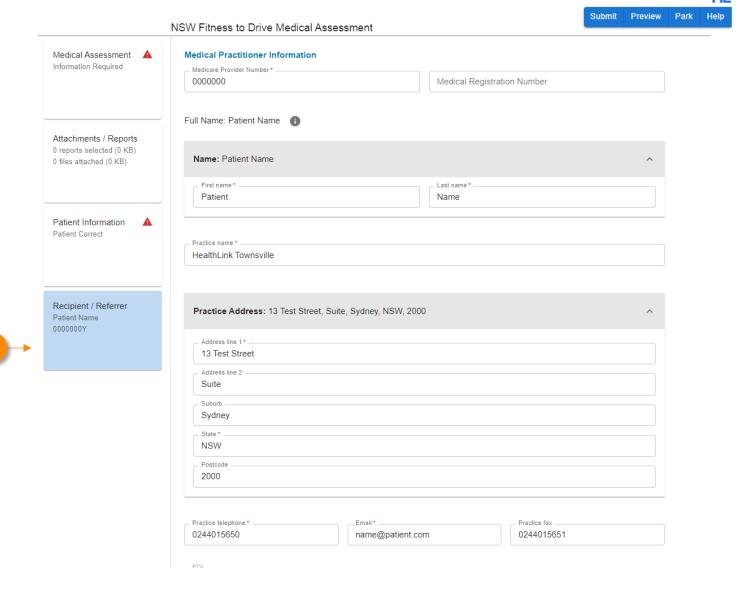

Completing the form

Recipient / Referrer

Recipient / Referrer information will be pre-populated by the SmartForm in the Recipient / Referrer tab.

Note: Before submitting please double check your medical practitioner information is correct.

You can assess a person's fitness to drive in NSW if you're a registered medical practitioner or specialist. This includes general practitioners, specialists, optometrists, ophthalmologists and allied health professionals.

Park

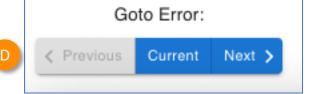

Step 4:

Previewing, Submitting and Parking

Previewing

- B You can verify that the form has been completed correctly by clicking **Preview** allowing you to review the details before submitting.
- If a piece of required information is incomplete or incorrect, the form will notify you to complete or correct it. You can click on each error in the please fix the following errors box and the form will take you directly to the required field.
- You can scroll through any errors by using the Go to Error function on the bottom left hand corner of the SmartForm.

Step 4: Previewing, Submitting and Parking

Previewing / Parking

Click Preview. A pop-up **Preview** will appear for your review.

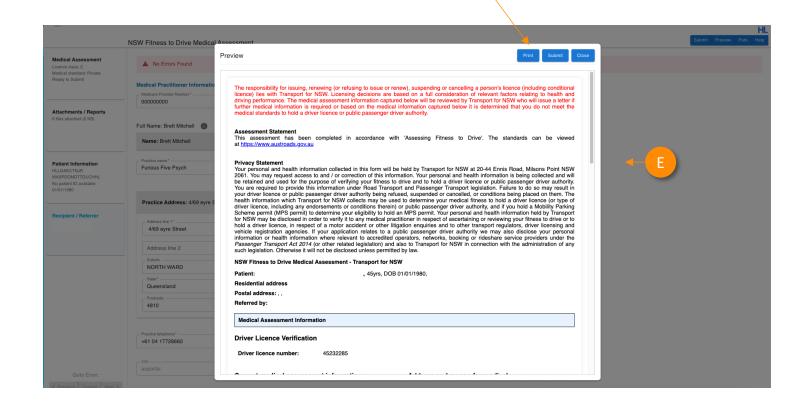

A copy of the form is saved directly to the patient file.

And if you need more information to complete the form, you can **Park** the form to save what you've done so far and come back to it later.

Step 4:

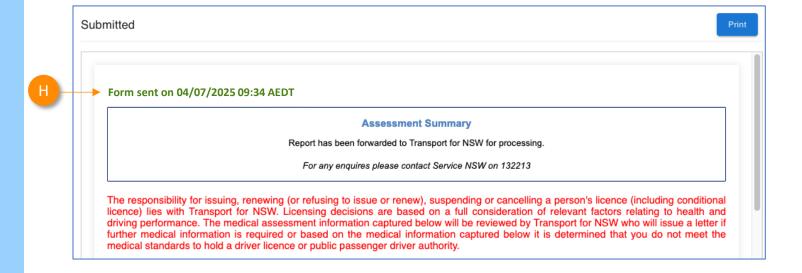

Previewing, Submitting and Parking

Submitting

- When you are ready to send your form, click **Submit**.
- This will safely and securely send the form electronically via HealthLink, and you will see a copy of the completed form with a **date stamp**.

A copy of the submitted form is saved directly to the patient file.

Step 5:

Accessing parked and auto-saved forms

To access parked or auto-saved forms, from the patient's record...

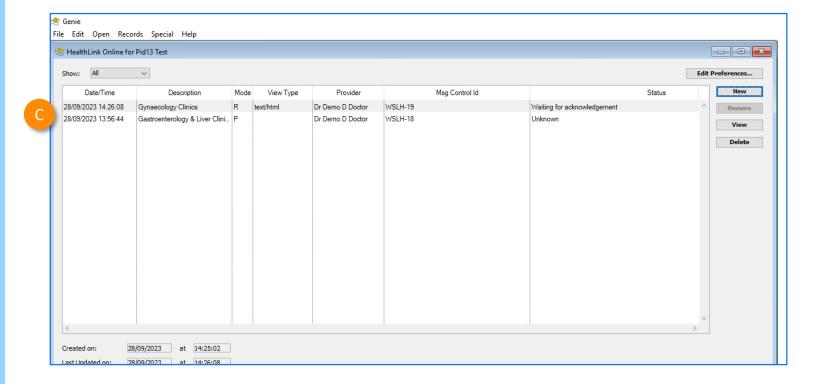

- A Go to **Tools**
- B HealthLink Online
- Once a form is **parked** or **saved** it will show in this screen. From here you can highlight and **resume** the form or view the form's **status**.

Submitted forms also show in this window.

Unknown indicates that the message has not been submitted.

Note: when returning to a parked or auto-saved form, due to security policy, any previously added attachments will need to be re-added.

Step 6:

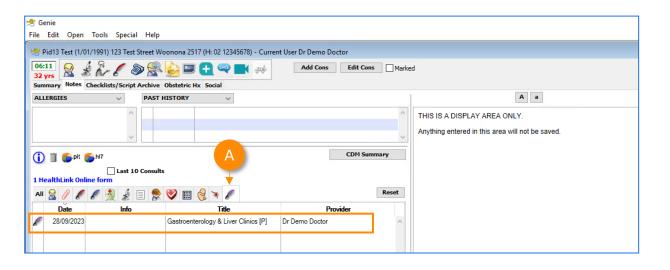

Accessing submitted forms

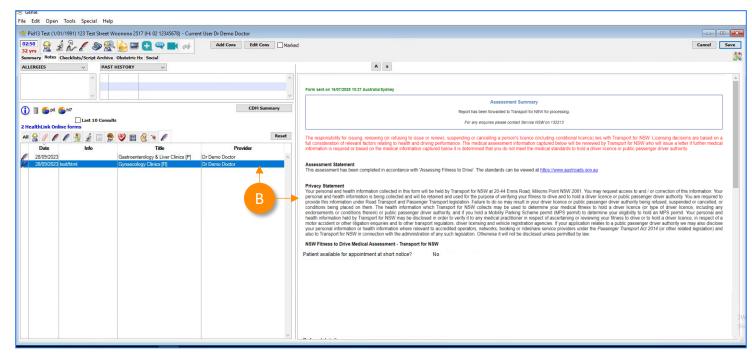

A copy of the submitted referral will go into the patients record under the purple Quill

Note: The only way to access the parked/autosaved or submitted form is from within the patient record.

B From here you can highlight the submitted report to view it.

Note: this area only shows the SmartForms that have been submitted.
