Accessing HealthLink SmartForms

To access the SmartForm within MyHealthLink Portal...

- A** Log in with your username and password*. Each user is given an individual log in so that their provider details are prepopulated.
- B** Once logged in you're taken to the home screen (Inbox).
- C** Click on the **Compose New Message** icon to launch the HealthLink homepage.

*Note: You will need to apply for a HealthLink account - you will be issued with login details, once set up. Go to the HealthLink website and click Sign Up to start this process.

A

The screenshot shows the HealthLink login interface. It features a central white box with the title "Login". Inside the box are two input fields: "Username" and "Password". The "Password" field has a "Show" link to its right. Below these fields is a blue "Log In" button. At the bottom of the box is a link for "Forgot your password?". The background is a solid blue color. At the very bottom of the page, there is small text: "Need help? Contact Us" and "© 2026 HealthLink. All rights reserved."

B

The screenshot shows the HealthLink inbox filter interface. It has a blue header bar with the "HealthLink" logo and "Settings Help" links. On the left is a sidebar with icons and labels for "Compose", "Inbox (3)", "Parked", and "Submitted". The main area is titled "Inbox Filter" and contains several input fields: "Received From" (with a date format dd/mm/yyyy), "To" (with a date format dd/mm/yyyy), "Patient Name" (with a prompt "Enter first and/or last name"), "Form Status" (a dropdown menu currently showing "All"), "Form Type", and "Reference ID" (with a prompt "Enter reference ID"). There are also fields for "Description" and "Patient ID". At the bottom right are "Search" and "Reset" buttons. At the bottom left, there is a "Items per page" dropdown set to "10".

C

The screenshot shows the HealthLink "Compose New Message" screen. It has a blue header bar with the "HealthLink" logo. Below the header is a dark blue bar with a white "Compose New Message" button. The left sidebar is the same as in the previous screen, with "Compose" selected. The main area is titled "Inbox Filter" and shows the "Received From" field with a date format dd/mm/yyyy. Below it is the "Description" field with a prompt "Enter description".

The screenshot displays the HealthLink PRO interface. At the top, there's a blue header with 'Create', 'Update', and 'Support' links on the left, and the 'HealthLink | PRO' logo on the right. Below the header is a search bar labeled 'Search a Directory'. Underneath the search bar, there are several service tiles: 'SR Specialists+Referrals Refer to Private Specialist', 'HL HealthLink Direct', 'IAR Decision Support Tool for Mental Health', 'K Konnect NET', and 'Return to WorkSA Work Capacity Certificate'. To the right of these tiles is a 'Spotlight Services' section. Below the tiles is a 'Referral Services' section with a search bar labeled 'Search Referral Services' and a 'Clear' button. The 'Referral Services' section contains a list of services arranged in two columns. The services listed include: Access Canberra Prototype, Application, Banyule Community Health, Chris O'Brien Lifehouse Services, Eastern Health, Head to Health, Medicare Mental Health (1800 595 212), Monash Health, Northern Health, Northern Sydney Local Health District Services, NSW Health Outpatient Referrals, NSW Health Outpatient referrals - Far West LHD, NSW Health Outpatient referrals - Western Sydney LHD, NSW Health Outpatient referrals - South Eastern Sydney LHD, PRP Diagnostic Imaging, Spectrum Medical Imaging, Sydney LHD Hospitals Services, Tasmanian Mental Health and Alcohol and Other Drugs, TINSW SPA Homepage Dev Local 2, Victoria General Practice Referral, WA Health Referrals, ACT Public Outpatient and Community, Austin Health referrals, ccCHIP - Cardiometabolic Health in Psychosis, DPV Community Health, Grampians Health, Hearing Australia Medical Certificate, Mercy Hospital for Women, My Aged Care Referral, Northern NSW LHD - referrals, NSW Certificate of Capacity, NSW Health Outpatient referrals - Central Coast LHD, NSW Health Outpatient referrals - Western NSW LHD, NSW Health Outpatient referrals - Illawarra Shoalhaven LHD, Parkville Hospital referrals Demo, SA Health, Sydney LHD Aged Care, Allied Health and Community services, Tasmanian Health Service, TINSW SPA Homepage Dev ATS, and Werrisbee Mercy Hospital. INFORMATION FOR HEALTH PROFESSIONALS

Transport for NSW requests that this licence holder submits to a NSW Fitness to Drive Medical Assessment, in order to apply for or maintain a NSW driver licence, or to be a public passenger vehicle driver.

The medical assessment must be completed in accordance with Assessing Fitness to Drive for commercial and private vehicle drivers - medical standards for licensing and clinical management guidelines, published by Austroads (**Assessing Fitness to Drive Standards**).

The Assessing Fitness to Drive Standards are available at:
<https://austroads.gov.au/drivers-and-vehicles/assessing-fitness-to-drive>

The licence holder must meet the medical assessment standards that apply to their class of licence. Private vehicle driver licence classes are categorised as R, C, or LR. Commercial vehicle driver licence classes are categorised as MR, HR, HC, MC and may include drivers of public passenger vehicles with a Class C or LR licence (e.g. taxi or rideshare driver). See fitness to drive principles, (refer part A of the *Assessing Fitness to Drive for Commercial and Private Vehicle Drivers* publication). Only information relevant

Step 2: Fitness to Drive Completing the form

Now you've loaded the form to complete and submit.

A

The **SmartForm layout** provides a consistent, easy-to-use tabular structure on the left, with the main action window on the right.

B

Mandatory Fields must be completed prior to submitting the SmartForm and are each highlighted with a red asterisk.

You'll notice SmartForms are **responsive**: They will pre-populate all available patient and referrer data and contain logic to request more specific patient information based on your selections.

Note: Once you have ticked on the **patient consent obtained** box – the form will validate your patient's driver license number, and you will be able to proceed to their medical

The screenshot shows the 'NSW Fitness to Drive Medical Assessment' form. A 'Preview' pop-up window is open, displaying a summary of the form data and a warning message. The warning message states: 'The responsibility for issuing, renewing (or refusing to issue or renew), suspending or cancelling a person's licence (including conditional licence) lies with Transport for NSW. Licensing decisions are based on a full consideration of relevant factors relating to health and driving performance. The medical assessment information captured below will be reviewed by Transport for NSW who will issue a letter if further medical information is required or based on the medical information captured below it is determined that you do not meet the medical standards to hold a driver licence or public passenger driver authority.'

The 'Preview' window also displays the following information:

- Assessment Statement:** This assessment has been completed in accordance with 'Assessing Fitness to Drive'. The standards can be viewed at <https://www.austroads.gov.au>
- Privacy Statement:** Your personal and health information collected in this form will be held by Transport for NSW at 20-44 Ennis Road, Milsoms Point NSW 2061. You may request access to and / or correction of this information. Your personal and health information is being collected and will be retained and used for the purpose of verifying your fitness to drive and to hold a driver licence or public passenger driver authority. You are required to provide this information under Road Transport and Passenger Transport legislation. Failure to do so may result in your driver licence or public passenger driver authority being refused, suspended or cancelled, or conditions being placed on them. The health information which Transport for NSW collects may be used to determine your medical fitness to hold a driver licence (or type of driver licence, including any endorsements or conditions therein) or public passenger driver authority, and if you hold a Mobility Parking Scheme permit (MPS permit) to determine your eligibility to hold an MPS permit. Your personal and health information held by Transport for NSW may be disclosed in order to verify it to any medical practitioner in respect of ascertaining or reviewing your fitness to drive or to hold a driver licence, in respect of a motor accident or other litigation enquiries and to other transport regulators, driver licensing and vehicle registration agencies. If your application relates to a public passenger driver authority we may also disclose your personal information or health information where relevant to accredited operators, networks, booking or rideshare service providers under the Passenger Transport Act 2014 (or other related legislation) and also to Transport for NSW in connection with the administration of any such legislation. Otherwise it will not be disclosed unless permitted by law.

Breach events are attempts to start the car with a BAC above zero.

Transport has reviewed the image(s) captured by the interlock device for each event listed and confirmed it was the participant who blew in the device or there is no one in the image to discount it as being the licence holder.

To complete this review, refer to the customer's 'breach events' shown in this form.

Before the end of program review, please refer to the [Stage Three Fact Sheet for GPs](#) on our website and the national driver medical standards on the Austroads website www.austroads.gov.au.

Health professionals requiring more information on the Alcohol Interlock Program can contact (02) 6640 2821 and select option two.

Note: Anyone extended in the interlock program will need another medical end of program review after six months, regardless of the number of alcohol detections. This means there may be no breach events detected on the medical review.

Security - You are responsible for ensuring that there is no unauthorised access to the Transport for NSW medical assessment forms using your HealthLink SmartForm compliant EMR system or MyHealthLink Portal username and password.

Step 2: Interlock Program Recommendation Completing the form

Now you've loaded the form to complete and submit.

A

The **SmartForm layout** provides a consistent, easy-to-use tabular structure on the left, with the main action window on the right.

B

Mandatory Fields must be completed prior to submitting the SmartForm and are each highlighted with a red asterisk.

You'll notice SmartForms are **responsive**: They will pre-populate all available patient and referrer data and contain logic to request more specific patient information based on your selections.

Note: Once you have ticked on the **patient consent obtained** box – the form will validate your patient's driver license number, and you will be able to proceed with the recommendation.

This section displays the content of the selected form. It includes a sidebar with the same list of forms as the top section, with the 'Mobility Parking Scheme — Medical Certificate' form highlighted. The main content area is titled 'Mobility Parking Scheme — Medical Certificate' and contains the following information:

INFORMATION FOR HEALTH PROFESSIONALS

Mobility Parking Scheme

When a person applies for a Mobility Parking Scheme permit, they must see a medical doctor or specialist to determine if they are eligible for the permit.

Medical practitioners need to ensure the permit is only issued to eligible people with a disability. A registered medical practitioner needs to:

- certify the eligibility of the person with a disability.
- only if required, provide a further assessment for fitness to drive.

To be eligible for a Mobility Parking Scheme permit the person must have a disability affecting mobility or a significant visual impairment. This includes checking if the patient:

- is unable to walk because of permanent or temporary loss of the use of one or both legs or other permanent medical or physical condition, or
- physical condition is detrimentally affected as a result of walking 100 metres, or
- requires the use of crutches, a walking frame, callipers, scooter, wheelchair or other similar mobility aid.

A blue 'Continue' button is located in the top right corner of the form content area, with a black arrow pointing to it.

Privacy Statement

Transport for NSW is committed to protecting your privacy and ensuring your personal and health information is managed according to law. The information collected in this form will be held by Transport for NSW at 231 Elizabeth Street, Sydney NSW 2000. Your personal and health information is being collected and will be retained and used for the purpose of verifying your eligibility to hold a Mobility Parking Scheme permit. The information may also be used to determine your fitness to drive and/or to hold a driver licence (or type of driver licence, including any endorsements or conditions therein) or your eligibility to hold a public passenger driver authority. You are required to provide this information under the Road Transport and Passenger Transport Legislation. Failure to do so may result in your application for a permit being refused; your driver licence being refused, suspended or cancelled, or conditions being placed on it; or your public passenger driver authority being refused, suspended or cancelled, or conditions being placed on it, as applicable. Your personal and health information held by Transport for NSW may be disclosed to a medical practitioner in order to verify it or to accredited operators, networks, booking or rideshare service providers under the Passenger Transport Act 2014 (or other related legislation). Find out more about why we collect your personal information, including how we use and manage it and how we use the Document Verification Service to validate it, by reading our privacy statement at transport.nsw.gov.au or phone 13 22 13 to request a copy.
